

How to support youth prosper, from school to university, to mentoring, to careers.

Getting more diverse mentors to support youth

Language support for communities in QC for newcomers specifically and English speakers.

Mentorship programs, connecting folks with people in specific industries

Using infographics to get better engagement and knowledge sharing with employers and policymakers

Platform like LinkedIn to reach the targeted audience.

Engaging program alumni to build trust

**How have you/your organization worked with employers and/or other partners to help empower young people and prepare them for the future of work?**

Thinking about how to measure impact and showcase it to funders and new engagements.
